八、阅读短文，按要求完成下列各题。

To be tall and strong is a dream for a lot of teenage boys. Mike is no different.

One day, Mike didn't do well in PE class. He went home unhappily.

"What happened?" Mike's father asked.

"I want to be taller and stronger. What should I do? Can I take some medicine?" Mike asked sadly.

"Being healthy is more important." Mike's father said.

Mike's father is right. No special medicine can make you taller and stronger. First, Mike should eat three meals a day. He must eat more fruit and vegetables. Also he should never skip breakfast.

Exercise is important, too. Mike should try to exercise every day.

(一) 根据短文内容判断正(T)误(F)。
